

**MATCHING GRANT TUITION ASSISTANCE PROGRAM
Submission Form**

St. Vladimir's Orthodox Theological Seminary offers students who qualify for financial aid the opportunity to participate in a matching grant tuition assistance program. Each year, eligible students are notified in their letter of admission (incoming students) or financial aid award letter (returning students) of the amount of tuition eligible for matching grant funds for the following academic year.

St. Vladimir's Seminary will match dollar-for-dollar funds received from qualifying sources up to the indicated amount.

To qualify for the program, funds must be received from an ecclesial organization (e.g. diocese or parish). Funds received from private individuals do not qualify for a matching grant. If the student withdraws during the term, donor funds will be refunded according to the refund schedule published in the Academic Catalog and at <https://www.svots.edu/admissions/financials/refunds>.

Donor organizations must submit this form with their payment (made payable to "St. Vladimir's Orthodox Theological Seminary" with the student's name on the memo line). Funds may also be wired to the seminary.
